

COMPLIANCE CALENDAR

Annual Environmental Compliance Calendar

Recurring environmental filings, renewals, and returns at a glance.

A general reference for the recurring filings, renewals, and returns most manufacturing businesses need to track. Exact dates, applicability, and thresholds vary by state, waste category, and consent conditions.

Obligation	Typical Due Date	Authority
PCB Consent to Operate — Renewal	Per consent validity	State Pollution Control Board
Hazardous Waste Annual Return (Form 4)	On or before Jun 30	State Pollution Control Board
Plastic Waste Management Return	On or before Jun 30	State Pollution Control Board
Battery Waste Compliance	Ongoing / annual	Central Pollution Control Board
E-Waste Annual Return	On or before Jun 30	Central Pollution Control Board
Environmental Record-Keeping	Continuous	Site-level / internal

Using This Calendar

Treat this as a working checklist rather than a legal reference. We build a site-specific version — mapped to your actual consents, categories, and renewal dates — as part of every Environmental Compliance engagement.
